

I joined Rocktownship Lions Club, District A1, MD 26 in 1996-97, Arnold Missouri. I joined because I saw great needs satisfied by the Lions Clubs.

At the club level I served as president, treasurer, membership vice-president, board of directors, district, state and international convention delegate, and hospitality chairman.

District service was Christmas party chairman 4 years, zone chairman 2 years, region chairman 2 years and guiding Lion 2 years. In 2001 I moved from Arnold to Cairo, but commuted to Rocktownship (about 300 mile round trip) to complete the year. Why commute? I believe in completing commitments and felt it was the right thing to do.

It took a little while to find the Mounds club through a radio ad about Trick or Treat candy.

Since joining the Mounds Club in 2003 I have been president, WPSD Telethon chairman, written a grant to fund the publication of a coloring book (given to K-3rd grade in local school systems).

District I have been the Camp Lion coordinator.

I do a monthly spot on WKRO radio and write a column called the Mane Events monthly in the Cairo Citizen.
