

**HATFIELD LIONS CLUB  
DAN BARRY MEMORIAL**

Annual 5 Mile Road Race  
Sunday November 7th 2010

The Hatfield Lions Club will be holding its annual five-mile road race again this year, and again this year we will be looking for help from local businesses and organizations.

The Lions Club of Hatfield has a dual mission. As a member of Lions International we work toward ending preventable blindness in this country and around the world. We support such things as the Lions Orthoptic Clinic in Boston, which does cutting edge research into preventing blindness. The Hatfield Lions also sponsor community-based activities. Last year we held a successful Halloween party for the town's children, and our annual academic banquet for honors students at Smith Academy continues to be a success.

To sponsor the road race we ask for a \$100 contribution. The name of your company will appear at the race, on flyers and on More Than 100 t-shirts. Thank you for your consideration.

Information for Flyers / T-Shirts:

Name of Business \_\_\_\_\_

Address \_\_\_\_\_

T-Shirt Size \_\_\_\_\_ Phone Number \_\_\_\_\_

**PLEASE ATTACH A COPY OF YOUR LOGO TO THIS FORM IF  
YOU WOULD LIKE IT TO APPEAR ON THE T-SHIRT.**
