A Message from Lion President Don

As we come to the close of our Lions Club year, I want to take this opportunity to thank each one of you for allowing me to serve as your president this past year. It has been an honor and a privilege to serve in this capacity.

This has been a very busy and exciting, as well as a challenging, year for our club. As a result of your commitment and dedication, we have experienced a real positive growth in our club and have been able to accomplish much in helping to meet some very important needs in the lives of many people.

As we reflect back on this past year, let's all use this experience as an incentive and an encouragement to continue the good work that are club has been able to do. Let's give our complete support to our new president, Lion Phil, and to all our incoming officers as they begin their official duties in July. They all will serve us well.

Also, let us all make our plans to be at a very impressive banquet that Lion Larry and his committee has planned and put together for June 12th.

Thanks again for all the support you have given to me this past year. IT'S GREAT TO BE A LION!!!

A rather distracted mother was walking with her precocious son past the lion enclosure at the zoo when he suddenly asked: "Mom, how do lions make love?"

Without thinking she replied: "I don't know darling. Most of your father's friends are in Rotary."
