## Helping Hands Lions Club Branch

### *Lions Clubs International Mission Statement*

*TO EMPOWER VOLUNTEERS to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.*

### *Lions Clubs International Code of Ethics*

*TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.*

*TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.*

*TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.*

*WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.*

*TO HOLD friendship as an end not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.*

*ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.*

*TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.*

*TO BE CAREFUL with my criticism and liberal with my praise; to build up and not to destroy.*

## Serving our community while having fun!

Kat & Robert Garcia have been active members of the San Jose Los Amigos Lions Club. The Garcia family have been servicing mostly the Latin community in San Jose California since 2005. With the resources and support of the Lions Club, the Garcia Family have been able to be a part of humanitarian services that assist people with their vision, hearing, & life struggling needs. We also assist on promoting Diabetes awareness for it is a high risk factor in

Latin families. The Garcia Family would like to share this experience with younger adult families that share the same enthusiasm and morality. With the support of San Jose Los Amigos Lions Club, The Garcia Family is forming a Branch Club to better serve the younger adult families.

***“Now that I’m a father, I would love to be the positive influence for my child.”***

## What is Helping Hands?

Helping Hands Lions Club Branch mission is to influence young adults to help their community and also the world.

There are many individuals, Lions Clubs, and other non profit organizations in the community that need volunteer services and funding. That is where Helping Hands comes in. By creating an organized service we can better assist their needs. The great thing about this, it is all done in our spare time. For our member's convenience and to

reduce organizational costs, Helping Hands communicates via the Internet, Phone, Phone Texting, and any other sources applicable. A periodic group meeting is still necessary for exchanging information and to build a personal bond amongst the group.

Helping Hands is a family friendly environment that encourages you to get your family involve in creating a positive humanitarian lifestyle.
