On the 29th November 2007, Lions Club of Soroti gave food items to flood victims in Amuria district.

This assistance was given by Lions Club International and co-ordinated by District 411B Governor and his cabinet. The donation was worth \$5,000 USD and helped up to 300 homesteads whose crops were devastated by flooding. The local Government representative, the clergy and representatives from the Governor's cabinet Venie Tinkumanya were among other people who witnessed the distribution.

8 Lion members and 12 LEOs participated in the distribution of the relief items.

Our great appreciation goes to Lions Club International through the District Governor for the timely assistance to the affected community.
