West Corners Lions

“Lions Litter”

Hello Lions,

The Sept. 2, 2010 meeting was called to order at 6:30 by King Lion Lawrence with our customary salutations. A good turnout of lions was on hand to enjoy a home cooked meal as provided by Lion Rutkowski. The meal consisted of rib-eye steak sandwiches, salt potatoes and Kicsak’s home grown glow in the dark sweet corn. Lion Dave had a little problem with the burner on the outdoor pot and we ate a little later than usual.

King Lion Lawrence led us in reports of future meetings and recently concluded activities. I’m sorry to say I didn’t get a good handle on all of the discussion. I will report that the Lion/Lioness Rummage sale is on track and progressing on schedule. King Lion Lawrence reported that he and Lioness Peggy had secured donation of 42” flat screen TV as first prize for the raffle along with several other notable donations. Great JOB King Lion and Lioness Peggy. Raffle tickets will be distributed and let’s get out and sell, sell!!!

Lion Gary Lindsey reported of contact with the U-E school staff requesting help for students who are without school supplies. Lion Gary went out and purchased items to get these kids started on the right foot. Great Job Lion Gary.

King Lion Lawrence advised members of items to be discussed at the Board of Directors meeting to be held after the regular meeting. They included donations to OLGK for hall rental for Rummage Sale, monetary support for Pat Reardon for support during cancer treatment, reimbursement to Lion Gary for school supply

purchase, hole sign for Ray Tiberi tournament, hole sign for Keith Kenderes Tournament, and sponsorship of West Corners Lioness and Leo's Clubs.
